

Registration

Please take a moment to register the program unless you bought it directly from Frog Pond Pottery. If you bought it direct you are already registered. Registering is the only way we will have to notify you of upgrades or replacing a lost installation code if the need arises. We will not use the information for any purpose other than those two. Our primary communication will be by Email so please give us an Email address that is likely to be permanent. Thanks in advance for doing this.
